

Appl. No. To Be Assigned
PreAmdt. Dated November 17, 2003

REMARKS

Applicants have amended the specification to cross-reference the parent application. Further, Applicants have cancelled claims 1-12 and 18-22, without prejudice, which were prosecuted with the parent application.

Applicants respectfully assert that all amendments are fairly based on the specification, and respectfully request their entry

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R. Chisholm', with a horizontal line underneath it.
